CAUSE NO. _____

DISTRICT COURT: _____

PRO SE NOTICE

To all persons filing a divorce case or any case using documents that are not prepared by an attorney.

We do not have an attorney assigned to this office, therefore, the Deputy Clerks in this office are prohibited from giving advice, answering legal questions or giving instructions with regard to divorce or any other court proceedings. We cannot answer questions you may have about correctness of papers you wish to file or procedures you must follow to obtain a court decision.

For the above stated reason, we advise you to consult an attorney or seek legal counsel if you have any questions or are unsure as to what you need to do.

If you pursue a legal action without attorney representation, we will file the documents you present to us and collect the appropriate filing fee(s). However, at your court hearing, the Judge may or may not reject your documents.

Your papers may be served by the sheriff's office, certified mail or a process server. If you use a process server, you must contact one on your own accord.

I have received a copy of this Pro Se Notice and I understand the above information.
