BRAZORIA COUNTY
451 N VELASCO, SUITE 230
ANGLETON, TEXAS 77515

SEISMIC INFORMATION SHEET

I have attached the form for a PERMIT TO CONDUCT LIMITED GEOPHYSICAL OPERATIONS AND PLACE CABLES AND SENSORS IN BRAZORIA COUNTY ROAD RIGHTS OF WAY. Please note the conditions for work in county road rights of way. I have also attached the bond form.

We will fill in the blanks in the permit and send it to you for your signature after you provide the following:

- 1) A **Certificate of Insurance** for the amounts indicated in the Permit
- 2) A **bond** in the amount determined by the County Engineer, on the attached form. [Note: The bond amount will be determined after you provide information on the roads affected by your proposed operation.]
- 3) A **map** with County Road Numbers on affected roads showing the following information:
 - a) Outline of the general area of your proposed operations
 - b) The county roads to be crossed by cables only, highlighted in one color.
 - c) The county roads where we propose to use vibratory signal generation equipment (vibroseis), highlighted in another color.

[NOTE: County Road Maps are available at the County Engineers office, with roads already labeled. In addition to the paper map(s), electronic maps may be submitted. Contact County Engineers office for appropriate format.

A **list** in County Road Number order including each County Road where we plan to lay cables or conduct vibroseis operations, and showing the length in miles of proposed vibroseis operations for each road, and the total length of proposed vibroseis operations.

- 4) **Name, address, title, and phone number** of the individual to whom we should refer any questions or complaints regarding operations under the requested permit.
