Floodplain/Building Permits
451 North Velasco, Suite # 210
Angleton, Texas, 77515

TEMPORARY BUILDING PERMIT INFORMATION

Any dwelling placed on a property without a septic permit must not be inhabitable without going through the proper permits issued by Environmental Health. No electricity or sewer connections should be installed or released until all proper permits are issued.

For information on the issuance of a temporary permit please contact the Floodplain/Building Permits Department.
