19025 FM 521 Rd.
Rosharon, TX 77583
Hours: 9AM to 5PM

What is the Homeowner Assistance Program (HAP)?

If you owned a single family home damaged by the 2016 floods you may be eligible for HAP funds.

Homes must have been owned and occupied at the time of the disaster.

There is no minimum damage amount, but the home must have damage from the 2016 floods to be eligible for assistance.

There is no cost to apply or for assistance received.
Homeowners will sign a 3-year unsecured, forgivable promissory note.

If a home has less than \$65,000 of damage, it may qualify for rehabilitation.

Awards are made on a first eligible, first served basis.

Homeowners must relocate themselves and their belongings during the 90-120 day rehabilitation period.

Document checklist:

- Income information for all adult household members (18+)
- Proof of primary residency/occupancy
- Disaster assistance previously received
- Manufactured housing unit documentation
- Valid photo I.D. for applicant
- Proof of ownership
- Proof of child support payment (if applicable)
- Proof of property taxes (if applicable)
