

Local Emergency Planning Committee

May 17, 2022 - Revised

Opening

Randy Dillman brought the meeting to order at 2:00 p.m. He reminded everyone that anything discussed in the meeting was public record. If you have any confidential or proprietary information that you do not want shared with the public do not discuss it in this meeting. Randy requested a motion to approve March meeting minutes. Jerry Escamilla made a motion to approve the minutes as written and Mike McCabe seconded the motion. March 22, 2022, meeting minutes are accepted as written by general consensus.

Treasure Report

No update.

COMMITTEE REPORTS:

Right to Know Committee

Markus Trower reported that there have been no new FOIA requests.

Public Information

No report.

Hazmat / Liaison / ER Committee

This committee has been tasked with creating a citywide foam network. CAER will handle foam network for industry.

CAER Update:

Tommy Mageors reported that CAER is still integrating with the BCPC. Overall CAER process is being updated and will be shared soon. Randy Dillman suggested updating the list of city resources available to share during an emergency.

Reportable Spills / Releases

Markus Trower gave an update on reportable spills/releases for March thru May 2022. If you have any questions on these reports, contact Markus at markust@brazoria-county.com. Please remember to follow-up with a written report on any phone notifications you make regarding spills and/or releases.

Training

Randy reported that INEOS Stratton Ridge will be conducting a drill on May 26, starting at 9:00 a.m. This will be their official railroad commission drill. If you are interested in participating contact Randy at Randal.dillman@ineos.com.

If you are having any type of emergency drill, email Karen Schulze, LEPC Secretary, karen.schulze@basf.com for distribution to LEPC members. This helps meet some of the new RMP requirements.

New Business:

Texas Division of Emergency Management (TDEM) Conference will be held May 31 – June 3 at the Henry B. Gonzalez Convention Center in San Antonio.

Please send information on how worst-case scenarios from industry neighbors affect your site to karen.schulze@basf.com. This information will be given to CAER.

We will continue with virtual meetings and have a face-to-face option. If your facility can host a face-to-face meeting, please let Randy Dillman know. Meetings will be held bi-monthly on even numbered months beginning at 2:00 p.m. Our next meeting will be held at Ascend Performance Materials located at FM 2917, Alvin, TX 77511.

Old Business

Randy thanked everyone who has submitted their TRI data. He mentioned that there are still a few people that need to turn in their data. Please make sure to get your TRI data to randal.dillman@ineos.com to meet your requirements for TRI reporting.

REMINDER: Randy Dillman now has a flash drive to store RMP files. If you do not want to wait until we meet face-to-face again you can send the files to Randy at randal.dillman@ineos.com. Steve Rosa mentioned that if you want to create a Drop Box account to save the files to for Randy to retrieve from there you can. You may also mail a flash drive containing your RMP data to:

INEOS
C/O Randy Dillman
P. O. Box 1488
Alvin, TX 77511

Please get with Steve Rosa before submitting your Tier II information so that you submit it in a format that is compatible with the software used by Brazoria County, steverosa@brazoria-county.com

REMINDER: If you will be presenting at the LEPC meeting and need access to a computer or the overhead projector, please contact Karen Schulze at karen.schulze@basf.com in advance so that arrangements can be made for proper equipment to be available.

Randy requested a motion to adjourn the meeting. Randal Anderson made a motion to adjourn, and Ray Garza seconded the motion. Meeting adjourned at 2:30 p.m.

Please contact Karen Schulze or Randy Dillman if you have a presentation you would like to share at the May 17, 2022, meeting.

Recorder: Karen Schulze

Next meeting: Tuesday, August 16, 2022, via Microsoft Teams meeting and face-to-face at Ascend Performance Materials.
