

BRAZORIA COUNTY COMMISSIONER, RYAN CADE

Precinct 2 Updates

MERRY CHRISTMAS from all of us here at Precinct 2! As we wrap up the year and look back over all the projects we have completed, I am proud of our team and what we've accomplished in 2021. Above and beyond completing our annual road plan on time, we also finished multiple projects for other county departments and through interlocals with cities, ESD's, DD's, ISD's. We aided in the recovery from an ice storm and a hurricane. Commissioners Court adopted a budget, a redistricting map and embarked on a major courthouse remodel and expansion. Our office handled over 800 service requests from citizens and our road and bridge crew improved roads and drainage throughout several precincts in the county. While I am pleased with what we've done, I realize there is still much left to do and therefore, was eager to file my papers last month with the Brazoria County Republicans to run for another term. I look forward to the future and the opportunity to continue to serve as your Commissioner. I hope your year has been filled with blessings and that your holiday season finds you surrounded by friends, family and the spirit of the season. In the coming New Year, I pray you're blessed with peace, joy and prosperity. God Bless! - **RC**
