Precinct 2 Updates

2022 Texas Association of Counties Legislative Conference

I recently attended the 2022 Texas Association of Counties Legislative Conference and had the opportunity to connect with officials from other counties, state legislators and issue experts to discuss and learn about some of the biggest issues affecting county government and our constituents today. Historically the TAC Legislative Conference attracts around 600 county offices from the state of Texas. Some of the sessions I attended included an update on the Texas economy by Texas Comptroller, Glenn Hegar, Bail Bond Reform, Property Taxes, Broadband Expansion in Texas, Grant Funds for Counties and The Infrastructure Investment and Jobs Act enacted in November 2021.

YOUR TAX DOLLARS HARD AT WORK

Precinct 2 Road and Bridge crews have been hard at work with full depth reclamation, stabilizing and repaving of County Road 207.

It's that time of year again! As our students head back to school, we wish them, their administrators, teachers and parents a safe and successful 2022-2023 school year. For those of us sharing the roads, let's also be mindful on our morning commutes of higher traffic areas, school zones and buses. Leave a few minutes early to compensate in an effort to ensure the safety of all.

County offices will be closed on Monday, September 5

Our offices are here to help you. Should you require any assistance or have a service request, please reach out to my office at (979) 864-1548. Thank you for your continued support. God Bless Brazoria County and God Bless Texas!
