Sequel Starr Albion Prep reported sexual abuse/ sexual harassment date 2015

In Starr Albion Prep there were 6 reports received, all 6 were student-on-student; there were no staff-on-student reports. Of those, 3 were reports of student-on-student sexual harassment; 3 were reports of student-on-student sexually abusive contact. All 3 reports of student-on-student sexual harassment were substantiated. Of the 3 reports of student-on-student sexually abusive contact, 2 were substantiated and 1 was unfounded. There were no other allegations during that time period that would have risen to the level of sexual harassment or sexual abuse as defined in the PREA standards.
