All applications are reviewed on a case by case basis and not all criminal charges are eligible for Veterans Court. Many factors, including prior convictions, are considered.

The Veterans Court program is voluntary and involves at least fourteen (14) months of treatment.

There is a standard program fee of up to \$750.00. Collection of fees can change depending on the participant's financial situation.

Compliance with probation conditions and treatment conditions are mandatory. The staffing team determines whether or not an applicant is tentatively eligible. The Department of Veterans Affairs examines the defendant and provides information for further assessment. The presiding judge of the trial court makes the final determination on whether or not an applicant is able to participate in Veterans Court. Veterans participating in the court are given access to appointed defense counsel for the duration of the proceedings.

If you believe you are a qualifying veteran and would like to apply to the Veterans Court program, please notify court staff, jail personnel or a Brazoria County Veterans Service Officer immediately.

Administration

The Brazoria County Veterans Court is a non-adversarial treatment program. Veterans accepted into the program have their cases administratively transferred to Veteran's Court for the duration of treatment proceedings; however, the case remains under the jurisdiction of the District Court or County Court at Law in which the case was originally assigned. Currently presiding over the Veterans Court is Judge Terri Holder; 149th District Court.

The Brazoria County Veterans Court does not discriminate based on color, ethnicity, religion, sex, disability, or age, in the delivery of services.
