

Dear Beach Vendor Applicant:

The Brazoria County Parks Department is responsible for processing the county beach vendor permit applications when a mobile vendor business is conducted on the beach in an area between the line of mean low tide and the natural vegetation line on the sand. Mobile businesses behind the vegetation line are prohibited by the dune protection ordinance.

Brazoria County has approximately 13 miles of beach in its jurisdiction. The county and state law allows for vendors to be stationary on the beach during the day but each evening at dusk you must remove your concession off the beach. **NO ONE WILL BE ALLOWED TO KEEP THEIR UNITS ON THE BEACH OVERNIGHT.**

Brazoria County is interested in vendors that provide a needed service to the beach visitor, such as food and drinks. Each application will be reviewed and rated on its usefulness to the beach visitor, its attractiveness, cleanliness, quality and quantity of items, and frequency of service.

Sale or rental of motorized equipment such as jet skis or go carts is prohibited. Sale of beverages in glass containers is prohibited.

*It is the vendor's responsibility to contact the county health department to obtain a county vendor's permit. **Insurance of General Liability and Automobile Liability** of \$100,000 per person and \$300,000 per occurrence, with a \$100,000 total for property damage, and that **Brazoria County** is also named as an insured party is required. If you do not already have this insurance, contact your insurance agent for a quote.*

The applicant is to complete and return two (2) copies of the "Personal History Sheet", and two (2) of the "Application for Permit to Operate a Business Establishment on the Public Beaches of the State of Texas" which the applicant must sign, date and have each copy notarized. Return all four sheets and supporting documentation of the county health department's vendor's permit and insurance along with a processing fee to the Brazoria County Parks Department.

Upon approval, the applicant will receive a beach vendor permit from the county. All permits must be posted in your business while on the beach. Vendors will be checked periodically on the beach by the health, sheriff, and parks department.

Applicants interested in establishing a vendor business within city limits must contact that city directly. In Brazoria County there are two (2) municipalities – Surfside Beach, Rt. 2, Box 909, Surfside TX 77541 (979)233-1531; Town of Quintana, TX 77541, (979)233-2123.

No vendor permits are issued for operating a mobile or stationary vendor business in county parks or state parks adjoining the beach.

Sincerely,

A handwritten signature in cursive script that reads "Bryan Frazier".
